

JEANNETTE LeZAKS

Slipstream

Jeannette believes that the solutions to our energy challenges necessitate a multi-faceted approach. Her experience reflects that belief, as she brings a comprehensive background in energy systems analysis and planning. Her work at Slipstream focuses on applied and technical research examining how people and businesses use energy. She hopes that this knowledge will serve to advance energy efficiency and sustainability.

Jeannette serves on the City of Madison's Sustainable Madison Committee. She has a Bachelor's degree from Cornell University and a Master's degree focusing on energy analysis and policy from the Nelson Institute for Environmental Studies at UW-Madison.
