ANDREA LeSTARGE

Deloitte

Andrea LeStarge is a Deloitte Advisory senior manager within Cyber Risk Services. She has over ten years of experience assisting national critical infrastructure owners and operators as well as federal and state agencies with strategic, operational, and tactical physical and cyber security strategies. She has an established record of accomplishment for creating and implementing smart practices for the sharing of information and intelligence as well as the identification of security gaps and corrective risk

mitigation options, all while effectively communicating findings to stakeholders. She is a member of both ASIS International and InfraGard. Andrea received a BS in secondary education-English from UW-Madison and an MS in criminal justice and victimology from UW-Platteville.
