## **MARY BETH LEWIS**

### **WEC Energy Group**

As director of technology, security, and compliance for WEC Energy Group, Mary Beth Lewis is responsible for the company's cybersecurity strategy, policies, and procedures. This includes perpetuating a cybersecurity culture throughout the company's enterprise and operational environments as well as the extended third-party ecosystem. Mary Beth leads the teams that support technology security application, infrastructure, and operation; energy management system applications

and operations for electric and gas supervisory control and data acquisition (SCADA) systems; and NERC CIP compliance. Mary Beth served as IT director for a global manufacturing company for 13 years before joining WEC Energy Group in 2010. She has a bachelor's degree in computer science from Marquette University and holds a Certified Information Systems Security Professional (CISSP) certification.
